## Level of assurance needed to demonstrate NZ Building Code Compliance

Supporting documentation should include self-assessment and technical information by manufacturer

Resco confirms that this minimum level of assurance has been met or exceeded by the following:

Maica Laminated Sdn Bhd

[Greenguard certification - 25454-420](#)

## Technical Statement

### Product Description

The Series 7000 cubicle system has a strong, bold head rail supported by aluminium-rebated stiles on each side of the door, making an extremely sturdy and robust product designed for high traffic and continued public use. Minimal dirt traps ensures cubicles are easily cleaned, with self-opening and self-closing doors.

Recommended for

- Public toilets
- Schools
- Sport & recreational areas
- Shopping centres
- Prisons and correctional facilities
- Youth centres
- Community clubs
- Camping & caravan sites,
- Camping grounds
- Offices
- Hotel complexes

Features

- Compact Laminate panels provides solutions for both toilet and shower situations
- Available in Resco Antibac panels that kills bacteria for the lifetime of the panel
- New Zealand's largest range of colour and finishes
- Custom made cubicles
- Easy to clean and low maintenance
- Most cost-effective system
- Available in toilet and shower cubicles
- Robust easy clean design
- Wool-pile lined door stiles soften the closing of doors.
