Technical Statement

Product Description

Glass Vice® Slatscreen Aluminium Fencing is the ultimate solution for pool fencing and balustrades. The Direct Fix and Side fixed systems can be fixed to a variety of deck types, such as timber, concrete, steel and waterproof membranes. Glass Vice® has a solution for all balustrade requirements.

Our Aluminium systems are specified to rigorous engineering standards and are tested independently to ensure that the highest standards are met, surpassed and maintained.

Glass Vice® Slat Screen Balustrades meet B1 B2 F2 and F4. All PS1 Design documentation available on request.

Full manufacturers warranty. Technical support available.

Scope of use

Slats are available in two widths, the Slats can be configured to your personal choice of design. Slats are custom made - ideal for gates, wind breaks and boundary fencing.

Aluminium slat fencing. Stylish fencing solution can be used for pool fencing or balustrades available in 1800, 1200 and 1000mm increments.

The system is available in Mat Black but can be powder coated to meet customers desired needs.
