Technical Statement

Product Description

With an emphasis on quality product, The Glass Vice® range of aluminium pool fencing panels are all manufactured to an industry best standard practice of 6 points per weld per picket and using Interpon powder coat.

We have a complete range of Aluminium panels, aluminium posts, hardware and brackets. In addition to aluminium pool fencing, aluminium panels can be used for boundary fencing as well.

Scope of use

The GV Aluminium Pool Fencing are Expert Solutions for Aluminium Pool Fencing.

This solution has been rigorously tested and can be utilized as a Boundary fencing as well as Pool Fencing with latched gates.

The product comes in Mat Black Finish, but can be powder coated to better suit an area.
