Technical Statement

Product Description

The full range of fire rated and acoustic rated fire doors, from 30min to 240min rating. Hallmark is one of NZ's leading certified fire door manufacturers, having supplied the NZ market for over 25 years.

Scope of use

All Hallmark Fire Doors are certified in accordance with NZS4520:2010 to the fire rating stated on the Manufacturers Declaration document and Fire Tags issued with all consignments.

New Zealand Building Code (NZBC)

The product will, if employed in accordance with the supplier's installation and maintenance requirements, assist with meeting the following provisions of the building code:

- **Clause C3 Fire affecting areas beyond the fire source:** Performance C3.9

Evidence

The product meets the requirements set out in the following documents, or relevant parts of cited standards within the documents:

- Acceptable Solution for Buildings for New Zealand Building Code Clauses C1-C6 Protection from Fire
- NZS 4520:2010 - NZ Standard Fire-Resistant doorsets

Supporting Evidence

The product has and can make available the following additional evidence to support the above statements:
