Technical Statement

Product Description

The Series 5000 cubicle system is based around a simple clean looking design, which easily blends in with any room. Resco's most cost effective system, the Series 5000 retains all the strength and durability of any of our Compact Laminate products. With uncluttered lines and rebated doors this is a functional, practical, economical solution for many areas. Minimal dirt traps ensures cubicles are easily cleaned, with the option of self-opening or self-closing doors (hinges).
